## TO WHOM IT MAY CONCERN

### RE: DR. D'ONOFRIO CRESCENZO

This is to certify that Dr. D'Onofrio Crescenzo has been working with Nyumbani as a Consultant plastic surgeon. He has completed his service and we have no objection in him joining the The Aga Khan University and the hospital board as a full time plastic surgeon consultant.

Yours sincerely,

**Angelo D'Agostino, SJ,MD**  
Founder & Medical Director
